On June 6th, the APA Long Island Section will hold the annual Arthur Kunz Memorial Scholarship Breakfast at the **Sustainability Institute at Molloy University located at 1100 Broadway, Amityville**. This year we will highlight a program on Zoning for Redevelopment for the 21st Century (1.5 CM credits requested). Our program speakers are:

-  Greg Cutler, AICP, Village of Port Chester Director of Planning and Economic Development
-  James McCaffrey, Town of Oyster Bay Director of Operations

Each year, the best and brightest of Long Island's new and future professional planners compete for the Arthur Kunz Scholarship, which provides funds to its recipients for attendance at the annual American Planning Association National Conference. The scholarship winners will make a presentation about their experiences during mobile workshops they attended during the APA National Conference in Denver this spring. This year, the scholarships were awarded to the following three professional planners following a competitive process:

Abigail Lieber (H2M), Matthew Meszaros (Town of Smithtown) and Zach Renner (Suffolk County)
